This facsimile transmission (and/or the documents accompanying it) may contain confidential information belonging to the sender, which is protected by the attorney-client privilege. The information is intended only for the use of the individual or entity named below. If you are not the intended recipient, you are hereby notified that any disclosure, copying, distribution or the taking of any action in reliance on the contents of this information is strictly prohibited. If you have received this transmission in error, please immediately notify us by telephone to arrange for return of the documents.

Date: May 5, 2005

To: Examiner Sheridan L. Swope

Organization: USPTO

Fax Number: 571-273-8300 and 571-273-0943

From: Janice Brown (303/384-7576)
Patent Administrator

Organization: NREL Legal Office

Fax Number: 303/384-7499

Total Pages: 37 (includes cover page)

Remarks: Attached is the new specification for US Patent Application Serial No. 09/917,376, NREL 01-36 as referred to in the June 2003 Preliminary Amendment per Examiner Swope's voicemail request to P. White in May 2004. The Amendment mentions 36 pages, which is incorrect. The correct number of pages is 35. This Amendment was originally faxed to 571/243-0943 on May 17, 2004 but was not faxed to the USPTO Central Fax number. For that reason, this fax is now being submitted to USPTO Central Fax for proper submission and recordation to the case file. Please confirm by official fax receipt to 303-384-7499.

THANK YOU
